# When Were You Completely Wrong?

Episode 26 | Released Oct 14 | Discussion: Tuesday, October 20

## READING 1

**Read Proverbs 12:15**

*Commentary*

*The way of a fool is right in his own eyes, but a wise man listens to advice. The fool's problem is not lack of information; it is lack of teachability. Being completely wrong often begins with being completely sure.*

**1.** According to this verse, what is the core difference between a fool and a wise man?

**2.** Why is it so hard for most men to admit they are wrong?

**3.** How does the fear of looking weak keep men from receiving correction?

## READING 2

**Read Proverbs 16:2**

*Commentary*

*All the ways of a man are pure in his own eyes, but the Lord weighs the spirit. We are experts at justifying ourselves. God is not limited to our self-assessment; He weighs motives. Self-deception is the default setting of the human heart.*

**4.** What does this verse say about how we see ourselves versus how God sees us?

**5.** How can a man begin to recognize his own blind spots?

**6.** What role do trusted friends play in helping us see what we cannot see alone?

## READING 3

**Read Psalm 19:12–13**

*Commentary*

*Who can discern his errors? Declare me innocent from hidden faults. Keep back your servant also from presumptuous sins. David knows there are sins he cannot even see in himself. Humility prays for light on the blind spots.*

**7.** What does David ask God to do regarding hidden faults and willful sins?

**8.** When were you completely wrong about something important? How did you find out and how did you respond?

**9.** What is one practical way you can invite correction from God and from trusted men this week?
